

## *Innovation on Organic Synthesis: the 1<sup>st</sup> International Symposium on C-H Activation*

Oct. 5-8, 2012

### **Oct. 5, Friday**

Registration

### **Oct. 6, Saturday**

8:00-8:30 am

Opening Remarks: Chair: Professor Kai Wu (Dean, College of Chemistry, Peking University)  
Professor Qifeng Zhou (President, Peking University)  
Professor Yongjun Chen (Vice Director, NSFC)  
Professor Zhang-Jie Shi (Chair of the Symposium)

8:30-8:45 am

Taking the group photo

#### **Section 1: Chair: Professor William Jones**

08:45-09:45 am: Plenary Lecture: Professor Robert Bergman from University of California, Berkeley, USA

09:45-10:20 am: Invited Lecture: Professor Peter Kündig from the University of Geneva, Switzerland

10:20-10:40 am: Coffee Break

#### **Section 2: Chair: Professor Peter Kündig**

10:40-11:15 am: Invited Lecture: Professor Chao-Jun Li from McGill University, Canada

11:15-11:50 am: Invited Lecture: Professor Naoto Chatani from Osaka University, Japan

11:50-13:30 pm: Lunch Time at HeYuan Resturant

#### **Section 3: Chair: Professor Natao Chatani**

13:30-14:30 pm: Plenary Lecture: Professor Chi-Ming Che from The University of Hong Kong, Hong Kong, China

14:30-15:05 pm: Invited Lecture: Professor Weiping Su from Fujian Institute of Research on the Structure of Matter, CAS, China

15:05-15:40 pm: Invited Lecture: Professor Kenichiro Itami from Nagoya University, Japan

15:40-16:00 pm: Coffee Break

#### **Section 4: Chair: Professor Weiping Su**

16:00-16:35 pm: Invited Lecture: Professor Sukbok Chang from KAIST, Korea

16:35-17:10 pm: Invited Lecture: Professor Nicolai Cramer from EPFL Lausanne, Switzerland

17:10-17:45 pm: Invited Lecture: Professor Zhaomin Hou from RIKEN, Japan

18:00 pm Dinner

## **Oct. 7, Sunday**

### **Section 5: Chair: Professor Sukbok Chang**

- 08:00-09:00 am: Plenary Lecture: Professor John Hartwig from University of California, Berkeley, USA
- 09:00-10:00 am: Plenary Lecture: Professor Xinhe Bao from Dalian Institute of Chemical Physics (DICP), Chinese Academy of Sciences
- 10:00-10:30 am: Coffee Break

### **Section 6: Chair: Professor Zhaomin Hou**

- 10:30-11:05 am: Invited Lecture: Professor Matthew Gaunt from University of Cambridge, UK
- 11:05-11:40 am: Invited Lecture: Professor Chul-Ho Jun from Yonsei University, Korea
- 11:40-13:00 pm: Lunch Time at Heyuan Resturant

### **Section 7: Chair: Professor Matthew Gaunt**

- 13:00-14:00 pm: Plenary Lecture: Professor Pierre Dixneuf from University of Rennes, France
- 14:00-14:35 pm: Invited Lecture: Professor Phil Baran from The Scripps Research Institute, USA
- 14:35-15:10 pm: Invited Lecture: Professor Christina White from University of Illinois at Urbana-Champaign, USA
- 15:10-15:25 am: Coffee Break

### **Section 8: Chair: Professor Phil Baran**

- 15:25-16:00 pm: Invited Lecture: Professor Jin-Quan Yu from The Scripps Research Institute, USA
- 16:00-16:35 pm: Invited Lecture: Professor Vladimir Gevorgyan from The University of Illinois at Chicago, USA
- 16:35-17:10 pm: Invited Lecture: Professor Guosheng Liu from Shanghai Institute of Organic Chemistry, CAS, China
- 17:10-19:00 pm: Poster Section
- 19:00 pm: Dinner at Quanjude Resturant

## **Oct. 8, Sunday**

### **Section 9: Chair: Professor Chritina White**

- 08:00-09:00 am: Plenary Lecture: Professor William Jones from Rochester University, USA

- 09:00-09:35 am: Invited Lecture: Professor Yoshinori Yamamoto from Tohoku University, Japan
- 09:35-10:10 am: Invited Lecture: Professor Yongqiang Tu from Lanzhou University, China
- 10:10-10:30 am: Coffee Break

### **Section 10: Chair: Professor Yong-Qiang Tu**

- 10:30-11:05 am: Invited Lecture: Professor Milton Smith from Michigan State University, USA
- 11:05-11:40 am: Invited Lecture: Professor Vy Dong from University of Toronto, Canada
- 11:40-12:15 am: Invited Lecture: Professor Roy Periana from The Scripps Research Institute, Florida, USA
- 12:15-13:30 pm: Lunch Time at HeYuan Resturant

### **Section 11: Chair: Professor Vy Dong**

- 13:30-14:30 pm: Plenary Lecture: Professor Shinji Murai from NIST, Japan
- 14:30-15:05 pm: Invited Lecture: Professor Teck-Peng Loh from Nanyang Technological University, Singapore
- 15:05-15:40 pm: Invited Lecture: Professor Hanmin Huang from LICP, China
- 15:40-16:00 pm: Coffee Break

### **Section 12: Chair: Professor Teck Peng Loh**

- 16:00-16:35 pm: Invited Lecture: Professor Marta Catellani from Universita degli Studi di Parma, Italy
- 16:35-17:10 pm: Invited Lecture: Professor Huw Davies from Emory University, USA
