

RSC Polymer Chemistry Workshop Schedule

Tuesday, October 28, 2025

Xiao Lun Auditorium (Classroom 101)

College of Chemistry and Molecular Engineering, Peking University

14:00–14:05	Zi-Chen LI	Peking University
Opening Remarks		
14:05–14:10	Group Photo	
Chair: Hua LU		
14:10–14:45	Maria SOUTHALL	Royal Society of Chemistry
Publishing with Impact at the RSC		
14:45–15:20	Christine LUSCOMBE	Okinawa Institute of Science and Technology
Advancing the Frontiers of Semiconducting Polymers Through Precision Synthesis		
15:20–15:55	Huaping XU	Tsinghua University
Non-Carbon Backbone Polytelluroxane		
15:55–16:15	Coffee Break	
Chair: Zhibo LI		
16:15–16:40	Rong ZHU	Peking University
Cumulene-Based Functional Polymers		
16:40–17:05	Yun LIU	Peking University
Precision Synthesis of Poly(disulfide)s via Organocatalytic Control of Reactive Chain-ends		
17:05–17:30	Pengfei CAO	Beijing University of Chemical Technology
Dynamic Crosslinked Elastomers
